Future Church - William Mancini - 2020-11-17

Church growth models have often been long on promises and short on disciple-making. We continue to watch consistent church attendance shrink, and our desire to reach the lost is infected with a need for self-validation by growing our numbers at any cost. If we believe that God wants his church to grow, where do we go from here? What is the future of the church? Drawing from his 20 years and 15,000 hours of consulting, author Will Mancini shares with pastors and ministry leaders the single most important insight he has learned about church growth. With plenty of salient stories and based solidly on the disciple-making methods found in Scripture, Future Church exposes the church's greatest challenge today, and offers 7 transforming laws of real church growth so that we can faithfully and joyfully fulfill Jesus's Great Commission.

Win the Day - Mark Batterson - 2020-12-29

The New York Times bestselling author of Chase the Lion reveals seven powerful habits that can help you tackle God-sized goals by turning yesterday's regrets and tomorrow's anxieties into fuel for a better today. "This book will change the trajectory of your life."—John Maxwell, #1 New York Times bestselling author, entrepreneur, and leadership expert Too many people delay, downsize, or shrug off their dreams just because they don't know where to start, but playing it safe doesn't account for the massive cost of a life not fully lived. Win the Day is the jump-start you need to go after your goals, one day at a time. You'll discover how to: 1. Flip the Script: If you want to

change your life, start by changing your story. 2. Kiss the Wave: The obstacle is not the enemy; the obstacle is the way. 3. Eat the Frog: If you want God to do the super, you've got to do the natural. 4. Fly the Kite: How you do anything is how you'll do everything. 5. Cut the Rope: Playing it safe is risky. 6. Wind the Clock: Time is measured in minutes; life is measured in moments. 7. Seed the Clouds: Sow today what you want to see tomorrow. As Batterson unpacks each of these daily habits, you'll see how simple it is to pursue them with focus and dedication—not someday down the road, but now. Transform your perspective of a single day and you'll discover the potential waiting to be grasped at the beginning of each new sunrise.

I Am a Leader - Angie Ward - 2020

You feel it, deep in your bones: God is inviting you to join Him, to participate in His redemptive work in the world. And yet, as a woman leader, you face so many potential obstacles. Lack of clarity over your unique calling. Competing time demands. Changing seasons of life. Challenges such as self-doubt, criticism, and spiritual dryness. With nearly 30 years of ministry experience, Angie Ward knows firsthand the unique challenges that women leaders face as they seek to pursue their calling. In I Am a Leader, Angie explores the concept of "calling" as it applies specifically to women leaders--those women of influence both in Christian ministry and the broader world: What is calling? How do you discover it? And what does it look like to live out that calling practically amid a multitude of challenges? Thoroughly researched, theologically and biblically integrated, and uniquely personal, I Am a Leader will resonate no matter where you are on the calling journey: whether you are wondering about your God-given purpose; sensing an inkling of an invitation to a particular ministry; or embarking on the path but encountering challenges.

Love Where You Live - Shauna Pilgreen - 2019-01-22

Despite being part of one of the most mobile societies in history, it's easy for us to feel stuck where we are. Whether because of a recent move or because we're still in the exact same place we've been for years, many of us just aren't where we thought we'd be or doing what we thought we'd be doing. Sometimes we may wonder if God knows what he's doing. How can this be part of his plan? With enthusiasm and contagious joy, Shauna Pilgreen assures readers that, yes, God does have a plan and a purpose for them--right where they are. In fact, he sent them there. She invites readers to "live sent," showing them how to see their surroundings with fresh eyes and renewed energy. Weaving her own remarkable story with biblical habits readers can incorporate into their daily routines, Pilgreen equips us to reach out into our communities with God's love, knowing that our efforts are never in vain.

The Art of Film Acting - Jeremiah Comey - 2012-10-02

This guide for actors and directors develops a valid method for training performers to act from their core--whether they are cold reading, auditioning, or performing for film or television. This book teaches actors how to achieve and respond to believable and honest emotions before the camera, and it maintains that the key to a successful performance lies in how the actors relate to one another and to the circumstances. Exercises, including script examples, throughout the book give readers an easy resource for practicing the principles outlined. The Art of Film Acting applies a classic stage acting method (Stanislavsky) to the more intimate medium of performing before a camera, teaching readers to experience an emotion rather than to indicate it.

Geological Field Techniques - Angela L. Coe - 2011-07-26

The understanding of Earth processes and environments over geological time is highly dependent upon both the experience that can only be gained through doing fieldwork, and the collection of reliable data and appropriate samples in the field. This textbook explains the main data gathering techniques used by geologists in the field and the reasons for these, with emphasis throughout on how to make effective field observations and record these in suitable formats. Equal weight is given to assembling field observations from igneous, metamorphic and sedimentary rock types. There are also substantial chapters on producing a field notebook, collecting structural information, recording fossil data and constructing geological maps. The volume is in a robust and handy size, with colour coded chapters for ease of use and quick reference in the field. Geological Field Techniques is designed for students, amateur enthusiasts and professionals who have a background in geology and wish to collect field data on rocks and geological features. Teaching aspects of this textbook include: step-by-step guides to essential practical skills such as using a compass-clinometer, making a geological map and drawing a field sketch; tricks of the trade, checklists, flow charts and short worked examples; over 200 illustrations of a wide range of field notes, maps and geological features; appendices with the commonly used rock description and classification diagrams; a supporting website hosted by Wiley Blackwell.

Macrowikinomics - Don Tapscott - 2010-09-28

In their 2007 bestseller, *Wikinomics*, Don Tapscott and Anthony Williams taught the world how mass collaboration was changing the way businesses communicate, compete, and succeed in the new global marketplace. But much has changed in three years, and the principles of wikinomics are now more powerful than ever. In this new age of networked intelligence, businesses and communities are bypassing crumbling institutions. We are altering the way our financial institutions and governments operate; how we educate our children; and how the health-care, newspaper, and energy industries serve their customers. In every corner of the globe, businesses, organizations, and individuals alike are using mass collaboration to revolutionize not only the way we work, but how we live, learn, create, and care for each other. Once again backed by original research, Tapscott and Williams provide vivid new examples of organizations that are successfully embracing the principles of wikinomics.

6 Secrets to Startup Success - John BRADBERRY - 2011-03-20

It takes passion to start a new business. But that same entrepreneurial enthusiasm can also lead you astray. Over six million Americans start businesses every year. That's 11 startups a minute launched by passionate dreamers hoping to transform their lives for the better. But a huge gap exists between the skyrocketing levels of desire and what entrepreneurs actually achieve. The harsh reality is that most new businesses fail within a few years of launch. Why do so few startups make it? And what distinguishes those that do succeed? Entrepreneur, consultant, and investor John Bradberry set out to discover the answer and came to a surprising conclusion—that the passion that drives and energizes so many founders is also the very thing that leads many of them astray. Filled with compelling real-life stories of both success and failure, this groundbreaking book reveals the key principles entrepreneurs must follow to ensure their big idea is on the right track. 6 Secrets to Startup Success - John BRADBERRY - 2011-03-20

It takes passion to start a new business. But that same entrepreneurial enthusiasm can also lead you astray. Over six million Americans start businesses every year. That's 11 startups a minute launched by passionate dreamers hoping to transform their lives for the better. But a huge gap exists between the skyrocketing levels of desire and what entrepreneurs actually achieve. The harsh reality is that most new businesses fail within a few years of launch. Why do so few startups make it? And what distinguishes those that do succeed? Entrepreneur, consultant, and investor John Bradberry set out to discover the answer and came to a surprising conclusion—that the passion that drives and energizes so many founders is also the very thing that leads many of them astray. Filled with compelling real-life stories of both success and failure, this groundbreaking book reveals the key principles entrepreneurs must follow to ensure their big idea is on the right track. Handbook on Innovations in Learning - Marilyn Murphy - 2014-03-01

An innovation in learning improves upon the implementation of the standard practice or introduces a new practice, thus achieving greater learning outcomes. The Handbook on Innovations in Learning, developed by the Center on Innovations in Learning, presents commissioned chapters describing current best practices of instruction before embarking on descriptions of selected innovative practices which promise better methods of engaging and teaching students. Written by a diverse and talented field of experts, chapters in the Handbook seek to facilitate the adoption of the innovative practices they describe by suggesting implementation policies and procedures to leaders of state and local education agencies.

The Power of the 2 x 2 Matrix - Alex Lowy - 2011-03-23

By studying the work of hundreds of the most original and effective business minds, the authors present a common architecture that illuminates exceptional analysis and creative performance. 2 x 2 Thinking is characterized by a fundamental appreciation for the dynamic and complex nature of business. The best strategists go out of their way to tackle dilemmas rather than merely solve problems. They use opposition, creative tension, iteration and transcendence to get to the heart of issues and involve critical others in finding the best solutions. The authors demonstrate how to apply the 2 x 2 approach to a wide range of important business challenges.

Strategies to Improve Cardiac Arrest Survival - Institute of Medicine - 2015-09-29

Cardiac arrest can strike a seemingly healthy individual of any age, race, ethnicity, or gender at any time in any location, often without warning. Cardiac arrest is the third leading cause of death in the United States, following cancer and heart disease. Four out of five cardiac arrests occur in the home, and more than 90 percent of individuals with cardiac arrest die before reaching the hospital. First and foremost, cardiac arrest treatment is a community issue - local resources and personnel must provide appropriate, high-quality care to save the life of a community member. Time between onset of arrest and provision of care is fundamental, and shortening this time is one of the best ways to reduce the risk of death and disability from cardiac arrest. Specific actions can be implemented now to decrease this time, and recent advances in science could lead to new discoveries in the causes of, and treatments for, cardiac arrest. However, specific barriers must first be addressed. Strategies to Improve Cardiac Arrest Survival examines the complete system of response to cardiac arrest in the United States

and identifies opportunities within existing and new treatments, strategies, and research that promise to improve the survival and recovery of patients. The recommendations of Strategies to Improve Cardiac Arrest Survival provide high-priority actions to advance the field as a whole. This report will help citizens, government agencies, and private industry to improve health outcomes from sudden cardiac arrest across the United States.

Church Growth Flywheel - Rich Birch - 2018-01-27

Are you ready to see your church impact more people than you have ever before? Are you tired of church leadership books that are long on theory but short on practical help? Have you wanted to reach more people in your community but you weren't sure where to start? Are you worried that your church isn't reaching its full potential? "Church Growth Flywheel : 5 Practical Systems To Drive Growth at Your Church" is full of helpful

insights to help your church reach more people starting today! Bestselling author, Rich Birch, has pulled together his own hard-fought experience leading within one of the fastest growing churches in the country as well as over 200 interviews with church leaders from prevailing churches. What Church Leaders are Saying About Church Growth Flywheel: "Rich is right again. Momentum is hard to catch, easy to lose, and most important. If Flywheel has any importance, it has loads of importance. Don't miss this book!" - Clay Scroggins, Lead Pastor, North Point Community Church "Rich Birch has knocked it out of the park with Church Growth Flywheel. His new book is full of practical helps for church leaders looking to reach more people in their communities. Rich cuts through the theory and offers solid advice and guidance that you can put into action right away." - Dan Reiland, Executive Pastor, 12Stone Church, Lawrenceville, Georgia "Rich Birch has been reading my mind! After reading the first 15 pages, I made this book mandatory reading for my entire staff." - Hal Seed, Chief Mentor at PastorMentor.com and Founding Pastor of New Song Community Church "What an incredible book! Rich has a unique way of sharing real and relevant practices from his experience and conversations that will no doubt be a game changer for you and your church community. Church Growth Flywheel is a gift to church leaders filled with practical yet challenging steps to help initiate growth and change within your community. And what church leader doesn't want to see more lives changed by Christ!" - Sonja Waltman, Executive Director of Ministries at LCBC Church "Rich brings a wealth of passion, knowledge and experience to the subject of church growth. He presents a treasure trove of best practices and learnings around engaging people in your city with the message of Christ. Church Growth Flywheel is full practical steps that you can actually start doing and growing in your church, today. I'm so grateful for Rich's voice on this subject and I think you will be too." - Carey Nieuwhof, Founding & Teaching Pastor, Connexus Church "I've followed Rich Birch for many years as he has had a front row seat to some of the fastest-growing churches in North America. That's why I got excited when I heard he was releasing a book with some of what he has learned. You will be energized, informed, inspired, and equipped after reading Church Growth Flywheel." - Tim Stevens, Vice President of Consulting, Vanderbloemen Search Group "Insanely practical super simple and absolutely essential! Rich Birch has captured the disciplines and behaviors that will allow your church to experience growth that enables you to thrive. Buy one for every member of your team and read it together!" - Jenni Catron, Founder/CEO The 4Sight Group and author of The 4 Dimensions of Extraordinary Leadership "Most pastors I meet are frustrated since they are trying tons of tactics for growth, but not seeing any results. It isn't good enough to just go out and just do 100 things. Rich's system is what they are lacking. For sustained growth, you need an end to end process that's strategic and easy to follow. This book gives you the entire blueprint in one shot."- Kenny Jahng, Founder, Church Butler Social Media LOOK INSIDE for more endorsements!

Recipes for Risk - Julie Mavis - 2020-12-21

There is a call on your life, and it's not to be comfortable. There is a voice in all of us that asks, "Is there more to life than just having more stuff, vacations, and leisure?" When we aren't living a life of meaning, we distract ourselves with pleasure and feel empty. Recipes for Risk is the moving story of a comfortable suburban mom who stepped out of her comfort zone and found meaning by stepping into the pain of kids in foster care. It is part Julie's memoir and part cookbook from a young man who aged out of foster care - and how cooking together brought healing and built trust. Some of the recipes are very simple to try and others will challenge you to put a bit more love and time into learning a new technique to create something scrumptious. This book will encourage you to open a bottle of wine. Connect with your family, laugh, be grateful and consider making a meal and making room for one more at your table. Recipes for Risk will inspire you to step out of your comfort into a life of meaning. ☐☐All profits from this book will go to America's Kids Belong and our Dream Makers program.☐☐

Oxford Picture Dictionary - Jayme Adelson-Goldstein - 2009-06

The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out

of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.
