Give Me Liberty - Naomi Wolf - 2008-09-16

As the practice of democracy becomes a lost art, Americans are increasingly desperate for a restored nation. Many have a general sense that the "system" is in disorder -- if not on the road to functional collapse. But though it is easy to identify our political problems, the solutions are not always as clear. In Give Me Liberty: A Handbook for American Revolutionaries, bestselling author Naomi Wolf

illustrates the breathtaking changes that can take place when ordinary citizens engage in the democratic system the way the founders intended and tells how to use that system, right now, to change your life, your community, and ultimately, the nation.

Give Me Liberty - Naomi Wolf - 2008-09-16

As the practice of democracy becomes a lost art, Americans are increasingly desperate for a restored nation. Many have a general sense that the "system" is in disorder -- if not on the road to functional collapse. But though it is easy to identify our political problems, the solutions are not always as clear. In *Give Me Liberty: A Handbook for American Revolutionaries*, bestselling author Naomi Wolf illustrates the breathtaking changes that can take place when ordinary citizens engage in the democratic system the way the founders intended and tells how to use that system, right now, to change your life, your community, and ultimately, the nation.

Give Me Liberty - Richard Brookhiser - 2019-11-05
An award-winning historian recounts the history of American liberty through the stories of thirteen essential documents Nationalism is inevitable: It supplies feelings of belonging, identity, and recognition. It binds us to our neighbors and tells us who we are. But increasingly -- from the United States to India, from Russia to Burma -- nationalism is being invoked for unworthy ends: to disdain minorities or to support despots. As a result, nationalism has become to many a dirty word. In *Give Me Liberty*, award-winning historian and biographer Richard Brookhiser offers up a truer and more inspiring story of American nationalism as it has evolved over four hundred years. He examines America's history through thirteen documents that made the United States a new country in a new world: a free country. We are what we are because of them; we stay true to what we are by staying true to them. Americans have always sought liberty, asked for it, fought for it; every victory has been the

Give Me Liberty, Volume 1: To 1877 - Professor of History Eric Foner -

Give Me Liberty! - Eric Foner - 2020

This first of two volumes presents an introduction to the history of America from pre-Columbian times to Reconstruction. This edition includes new coverage of inclusion and exclusion as it has played out in American law and institutions, political and social movements, family and individual aspirations, and race, gender, and ethnicity. The author emphasizes the effect of contact among peoples of three different continents, the creation of an "American" people, and the evolving definitions of freedom and equality.

Give Me Liberty - L. M.

Elliott - 2009-04-14

An exciting novel for tweens that captures the dawn of the American Revolution. Life is tough for thirteen-year-old Nathaniel Dunn, an indentured servant in colonial Virginia. Then in a twist of luck, he meets Basil, a kind schoolmaster, and an arrangement is struck lending Nathaniel's labor to a Williamsburg carriage maker. Basil introduces Nathaniel to music, books, and philosophies that open his mind to new attitudes about equality. The year is 1775, and as colonists voice their rage over England's taxation, Patrick Henry's words "give me liberty, or give me death" become the sounding call for

action. Should Nathaniel and Basil join the fight? What is the meaning of "liberty" in a country reliant on indentured servants and slaves? Nathaniel must face the puzzling choices a dawning nation lays before him. "Filled with action, well-drawn characters, and a sympathetic understanding of many points of view." —ALA Booklist

Give Me Liberty and Give Me a Drink! - C. Jarrett Dieterle - 2020-09-15

"An impassioned case against a senseless system . . . Come for the cocktail recipes, stay for the call to arms." —Clay Risen, author of *American Whiskey, Bourbon, and Rye* "A potent, thought-provoking mixture of fun and 'what the hell' awareness." —Lew Bryson, author of *Whiskey Master Class Across this nation, in breweries, liquor stores, bars, and even our own homes, we're being stripped of our most basic boozy rights. Thanks to Prohibition and its 100-year hangover, some of the most outdated, bizarre, and laughably loony laws still on the books today center around alcohol and how we drink it. In New Mexico, \$1 margaritas*

are illegal. In Utah, cocktails must be mixed behind a barrier called the "Zion curtain." And forget about happy hour in Massachusetts—the state banned it in 1984. But we don't have to stand down and dry up—it's time to take to liquid protest. Created by the nation's leading alcohol policy expert, *Give Me Liberty and Give Me a Drink!* combines the thirst-inducing pleasure of trivia with 65 recipes for classic and innovative cocktails. So arm yourself with a mezcal-based One Pint, Two Pint, inspired by Vermont's ban on beer pitchers, or The Boiling Point, a beer cocktail that is highly illegal in Virginia, and get ready to drink your way to a revolution on the rocks.

Criticizes the way history is presented in current textbooks, and suggests a more accurate approach to teaching American history.

Give Me Liberty - Rose Wilder Lane - 2018-12-02
In her youth, Rose Wilder Lane supported the Russian Revolution, but a trip to Russia quickly dispelled her illusions. She realized that the mass politics of socialism necessarily suppressed individual freedom. America was founded on a different principle: individuals should take responsibility for their own lives. On this principle, America became the wealthiest of all nations and the hope of the world. The New Deal of 1933 struck against American individualism, substituting for it the tired collectivist programs of Europe. In *Give Me Liberty*, originally published in 1936, Lane called for a return to American individualism and a repudiation of the New Deal.

Give Me Liberty, Not Marxism - L. T. C. Robert L. Maginnis - 2021-05-15
Give Me Liberty, Not Marxism examines what current American leaders like President Joe Biden and his globalist allies intend for America and the world, an outcome that may well usher

in the prophetic end times. The evidence for this possible result comes from an objective review of the histories of past Marxist-regimes, accounts that are juxtaposed with the contemporary political proposals by those who seek a global "Great Reset" that could produce a radically different America which becomes subordinate to a godless, totalitarian one-world government ruled by the Chinese Communist Party.

Give Me Liberty Or Give Me Death (Annotated) - Patrick Henry - 2021-04-20

"Give me liberty, or give me death!" is a quotation attributed to Patrick Henry from a speech he made to the Second Virginia Convention on March 23, 1775, [1] at St. John's Church in Richmond, Virginia. Henry is credited with having swung the balance in convincing the convention to pass a resolution delivering Virginian troops for the Revolutionary War. Among the delegates to the convention were future U.S. Presidents Thomas Jefferson and George Washington

We the Corporations: How American Businesses Won Their Civil Rights - Adam Winkler - 2018-02-27

A landmark exposé and “deeply engaging legal history” of one of the most successful, yet least known, civil rights movements in American history (Washington Post). In a revelatory work praised as “excellent and timely” (New York Times Book Review, front page), Adam Winkler, author of *Gunfight*, once again makes sense of our fraught constitutional history in this incisive portrait of how American businesses seized political power, won “equal rights,” and transformed the Constitution to serve big business. Uncovering the deep roots of *Citizens United*, he repositions that controversial 2010 Supreme Court decision as the capstone of a centuries-old battle for corporate personhood. “Tackling a topic that ought to be at the heart of political debate”

(Economist), Winkler surveys more than four hundred years of diverse cases—and the contributions of such legendary legal figures as Daniel Webster, Roger Taney, Lewis Powell, and even Thurgood Marshall—to reveal that “the history of corporate rights is replete with ironies” (Wall Street Journal). *We the Corporations* is an uncompromising work of history to be read for years to come.

We the Corporations: How American Businesses Won Their Civil Rights - Adam Winkler - 2018-02-27

A landmark exposé and “deeply engaging legal history” of one of the most successful, yet least known, civil rights movements in American history (Washington Post). In a revelatory work praised as “excellent and timely” (New York Times Book Review, front page), Adam Winkler, author of *Gunfight*, once again makes sense of our fraught constitutional history in this incisive portrait of how American businesses seized political power, won “equal rights,” and transformed the Constitution

to serve big business. Uncovering the deep roots of Citizens United, he repositions that controversial 2010 Supreme Court decision as the capstone of a centuries-old battle for corporate personhood. “Tackling a topic that ought to be at the heart of political debate” (Economist), Winkler surveys more than four hundred years of diverse cases—and the contributions of such legendary legal figures as Daniel Webster, Roger Taney, Lewis Powell, and even Thurgood Marshall—to reveal that “the history of corporate rights is replete with ironies” (Wall Street Journal). We the Corporations is an uncompromising work of history to be read for years to come.

American Creation - Joseph J. Ellis - 2007-10-30
From the first shots fired at Lexington to the signing of the Declaration of Independence to the

negotiations for the Louisiana Purchase, Joseph J. Ellis guides us through the decisive issues of the nation's founding, and illuminates the emerging philosophies, shifting alliances, and personal and political foibles of our now iconic leaders-Washington, Jefferson, Madison, Hamilton, and Adams. He casts an incisive eye on the founders' achievements, arguing that the American Revolution was, paradoxically, an evolution-and that part of what made it so extraordinary was the gradual pace at which it occurred. He explains how the idea of a strong federal government was eventually embraced by the American people, and details the emergence of the two-party system, which stands as the founders' most enduring legacy. Ellis is equally incisive about their failures, and he makes clear how their inability to abolish slavery and to reach a just settlement with the Native Americans has played an equally important role in shaping our national character. With eloquence and insight, Ellis strips the mythic veneer of the

revolutionary generation to reveal men both human and inspired, possessed of both brilliance and blindness. American Creation is an audiobook that delineates an era of flawed greatness, at a time when understanding our origins is more important than ever.
